

## YUNDERUP SPORT & RECREATION CLUB

Our bowlers were geared up to the restart of the MDBL Pennant season after the Xmas/New Year break but, unfortunately for the ladies, the unseasonal storms took their toll and the ladies' first match had to be cancelled. The men were luckier and with the 1<sup>st</sup> and 2<sup>nd</sup> Sides due to meet in the 1st Division local derby a new innovation was introduced with the match having been played on the Friday late afternoon/early evening (under lights). The idea behind this arrangement was to provide an opportunity for social and non bowlers who attend the Club for their normal Friday social/meals evening to witness a pennant match and, yes, there was a reasonable turnout of spectators who created quite a healthy atmosphere. The 1<sup>st</sup> Side came out on top by winning the aggregate and so gained bragging rights until next time! As for the 3<sup>rd</sup> Division Side they were back to normal with a match at the Mandurah Club on the Saturday afternoon.

The second session of Community Bowls has progressed well but with a slightly reduced turnout from the pre-Xmas session. However, participating numbers augurs well for the Club and a few of the new bowlers are undertaking Monday afternoon coaching sessions from the Club's resident coach, Graham Bishop.

Other social outdoor and indoor recreational activities, interrupted during the festive season, have resumed as normal and are again being well attended..
